Healthcare Supplies Catalog

Effective 2023

Zebra has the right labels, ribbons, wristbands, and environmental sensors for hospital applications. Genuine Zebra supplies and sensors are available in a range of sizes, materials and adhesives that can withstand a variety of storage requirements. Our labels are suitable for labeling all shapes and sizes of specimen containers, including test tubes, vials, microscope slides, petri dishes, and cassettes—plus pharmacy unit dose containers, including syringes and IV bags. Zebra even offers environmental sensors and special blood bag labels that meet ISBT 128 compliance requirements.

Thermal Wristbands	**Product Image**
Z-Band Direct Lite A lightweight, direct thermal polypropylene wristband with a tamper-evident adhesive closure. Latex-free.	 **Direct thermal wristband** The Z-Band Direct Lite is a direct thermal material, meaning no ribbon is required for printing. It is available in roll format and compatible with the desktop ZD600 and ZD400 series printers. **Silver Antimicrobial Coating** The Z-Band Direct Lite features a silver antimicrobial coating that protects the wristband from degradation.
