

# Technology Solutions Designed for Today's Ambulatory Surgery Center

Zebra Technologies help you get ahead of what's next in healthcare

To improve the mission-critical workflows that ensure patient safety, overall efficiency and reduce errors in your ASC, there's no better way than Zebra's purpose-built products and solutions. From admissions to discharge and everywhere in-between, we can help your ASC with improved processes, better accuracy, and an enhanced patient experience.

**Discover how our solutions are enabling better care at every stage of the patient journey**

**1**

**Admissions**  
Streamline admissions and reduce the risk of medical errors with Positive Patient Identification Solutions

**2**

**Pre-Op**  
Safer verification of patient, surgery site, and pre-op specimen collection with mobile scanners and printer solutions

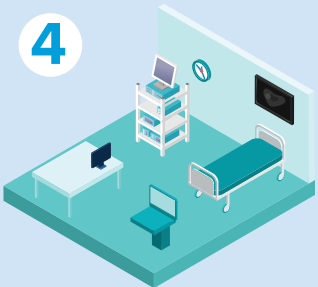

**3**

**Operating Room**  
Reduce canceled surgeries and ensure proper billing with better inventory management and charge capture solutions

**4**

**Post-Op**  
More efficient throughput of patients with post-op care solutions that link patient data to most EHR systems

**5**

**Discharge**  
Send patients home with the superior experience they deserve and give your staff peace of mind with Zebra's full portfolio of products for ASCs
